

Public Consultation Survey 2018

The Office of the Police and Crime Commissioner (OPCC), and Cumbria Constabulary have launched their joint annual public consultation survey.

We want your views about how you would like your policing services to look in the future, particularly;

How safe you feel

Your main policing priorities for the county

Your main policing issues in your neighbourhood

How satisfied you are if you had recent contact with us

What you know about the Police and Crime Commissioner
